

Health & Safety Statement

The overall objectives of the company is to ensure the occupational health, safety and welfare of its employees, visitors and others e.g. public, contractors who may be affected by the conduct of our undertaking and in doing so shall ensure:

- ⚠ The provision and maintenance of equipment and operational controls that are safe and without health risks.
- ⚠ The provision of such information, instruction, training and supervision as is necessary to ensure the health and safety of employees.
- ⚠ The provision and maintenance of equipment and operational controls that are safe and without health risks.
- ⚠ The provision and maintenance of a working environment for employees that is safe and free from health risks, with adequate facilities and arrangements for employees' welfare.
- ⚠ Arrangements for ensuring safety and to prevent injury/ill health concerning the use, handling and storage of articles and substances.
- ⚠ The maintenance of the workplace to ensure that it is safe and without health risks, including means of access and egress.
- ⚠ Arrangements for ensuring safety and to prevent injury/ill health concerning the use, handling and storage of articles and substances.
- ⚠ Arrangements for ensuring safety and to prevent injury/ill health concerning the use, handling and storage of articles and substances.

In order to continually improve the health and safety management and performance, the company shall regularly monitor and review the management system to ensure its effectiveness and undertake the following actions:

- ⚠ Maintain a management system that at least complies with applicable legal and other requirements that relate to OH&S hazards.
- ⚠ Establish effective arrangements to draw the management system to the attention of employees.
- ⚠ Ensure all employees are aware of their individual occupational health and safety obligations under the Health and Safety at Work etc. Act 1974.
- ⚠ Establish effective arrangements for employer/employee consultation.
- ⚠ Making this occupational health and safety policy available to interested parties.
- ⚠ To review and monitor the management system to ensure that it meets applicable legislation and is appropriate to the activities undertaken by the company.
- ⚠ Ensure sufficient resources are available to meet the objectives of the management system, as well as current applicable legislation.
- ⚠ To communicate the management system to all employees so that they are aware of their obligations under the Health and Safety at Work etc. Act 1974.
- ⚠ Management shall seek the support and co-operation of employees with respect to occupational health and safety.
- ⚠ Maintain company systems for the ongoing identification of hazards, the assessment of risks, and the implementation of necessary control measures.
- ⚠ Maintain records as objective evidence to show compliance with the management system.

This Policy shall be regularly reviewed at the management review to ensure its continued suitability in meeting the purpose and aims of the Company. During the management review the objectives of the Company shall be defined and updated as necessary.
