IBC Cleaning and Service Centre

Metano employs the latest Ultra High Water Jetting technology and Industrial Robotics to clean the M3 after use.

All containers are stripped, cleaned, rebuilt and tested on site at our Rowlands Gill facility.

Our service centre Cleans, Repairs and performs UN periodic testing of Metano rental units.

All Metano rental units are reusable and can be recycled at the end of life. Metano can offer a truly sustainable cradle to grave rental solution for all your liquid packaging needs.

Contact Metano Today for a rental Quote.
